Date: May 12, 2004

Dear Commissioner,

I want to add an additional claim to my patent application number 10/729,725 entitled "Capsule Imaging System", filed 12/04 2003. This is claim 17 which is listed on page 2 of this enclosure. I did not calculate that there are any additional charges, so I have not enclosed a check.

Thank you and Best Regards,
